## ENGINEERING

YOUR  
FORMULA  
FOR BETTER BUSINESS

### DIFFERENTIATORS

Professional Engineering Design Firm in IL, MO, WI, KY, OH, MN, KS, IN, and IA

Certified PMPs on staff

FAA Certified Pilots for UAS/Drones

Our engineers, designers, project managers and technicians specialize in providing consultation, design, and field engineering services. Whether you are rebuilding, upgrading, or building an all-new infrastructure, we are equipped with the latest tools and software to provide you with efficient, compliant, and resilient solutions.

### CORE COMPETENCIES

Natural Gas & Electric Design  
Fiber Optic Design  
Utility Design & Relocation for Roadway Projects  
Utility Coordination  
Material Management  
GIS/Mapping  
Project Management

Pole Inspection & Restoration Services  
Circuit Conversions & Rebuilds  
Project Controls and Scheduling  
Arc Flash Evaluation  
LV Selective Coordination  
Load Flow and Other Power Systems Studies  
Underground Infrastructure Inspections

### COMPANY DATA

Engineering department established in 2007

80+ engineers and technicians

3 office locations in the Midwest

Licensed in 16 States

EMR 0.64

NAICS 237120

### PAST PERFORMANCE

18+ years of gas & electric design for large utility

130+ miles of boundary, easement and route staking

Supported over 150 gas design projects

Managed over 90,000 NESC violations across IL

170+ gas material management projects

550+ developments/large line extensions completed in SE Wisconsin in 2024

Project management of the energization of \$300M in solar generation investments

109+ miles of voltage conversion or rebuild in 2024

Pump and lift stations electrical design for municipalities

Thousands of residential and commercial services designs

1000+ manhole inspections completed

1000+ Ground Mounted Equipment inspections completed

60 miles of fiber optic static wire and ADSS (OH & UG)

Management of 225MW of DER projects

Delivery and quality assurance of over 500,000KW of residential jobs

200 LAKEFRONT PARKWAY  
EDWARDSVILLE, IL 62025  
Offices in Illinois & Wisconsin
